

ENTERPRISE ZONE CONTRIBUTION PROJECT APPLICATION

Application Guidelines

Applications are available to EZ Administrators and Organizations/Contacts to whom the Administrator provides access.

- Projects are for a fixed term and strive to positively shift economic conditions within that term.
- The Organization running the Project must be a non-profit or a governmental entity in good standing with the CO Secretary of State.
- A Project must support at least one of the documented economic development goals for the Enterprise Zone (identified in the application). **Region 10's Enterprise Zone Program 2022 Goals are:**
 1. The region will develop and retain a skilled and resilient workforce through training and educational opportunities and support for emerging and transitioning workforce including homeless, displaced, and other vulnerable populations to increase income.
 2. The region will support the robust and resilient infrastructure to support resilient economies and communities, such as aviation, broadband, public lands to attract visitors and support residents and businesses measured by public and private investment.
 3. The region will support and strengthen our primary industry clusters: Agriculture, Tourism, Health Care, Outdoor Recreation and Manufacturing in order to increase the number of quality regional jobs.
 4. The region will create vibrant and livable communities to attract and support residents, businesses, and visitors including vibrant downtowns, attainable housing, quality air and transit services, and community facilities to grow population and sales tax.
 5. The region will create thriving businesses and quality jobs, by supporting entrepreneurs and small businesses with training, access to capital and innovative models of service such as incubators, co-working and innovation centers.
- A Project must link to job creation and retention and/or business expansion in the broader Enterprise Zone, not only at the Project Organization.
- The Project will generally comply with one of the Types and Categories identified in the application.
- Enterprise Zone administrators may charge fees associated with processing contributions; ask your zone administrator.
