

## Memo

To: Jurisdictions with Energy Efficiency and Resiliency Needs

From: Shay Coburn, Region 10 Grant Navigator contractor

Date: 10.20.23

Re: Funding Opportunities for Energy Efficiency and Resiliency

Colleagues:

Here are a couple of grant opportunities related to Energy Efficiency and Resiliency. Reach out with any questions any time. Also, **please keep us updated if you are pursuing any federal monies.**

1. [Public Building Electrification Grant](#) - *Updated information*

- a. CO Energy Office
- b. "To provide public buildings with funding to explore and implement building system electrification measures and infrastructure upgrades required to support these technologies."
- c. *Funds may be used for:*
  - i. *An energy audit to determine electrification equipment type and sizing.*
  - ii. *The purchase and installation of high-efficiency electric equipment for space heating, water heating, or cooking;*
  - iii. *Electrical installations and upgrades necessary to support the installation of high-efficiency electric equipment;*
  - iv. *The purchase and installation of other innovative building heating technologies that will likely achieve equal or lower levels of GHG emissions than high-efficiency heat pumps in 2030 and beyond."*
- d. *Funding: for planning phase energy audits: 50% of total energy audit cost, up to \$8000; for implementation: 75% of total project cost. Applicants from disproportionately impacted, low-income or just transition communities are eligible for additional funds.*
- e. **Now accepting applications on a rolling basis**

2. [Local Energy Action Program \(LEAP\)](#)

- a. DOE
- b. "This opportunity is specifically open to low-income, energy-burdened communities that are also experiencing either direct environmental justice impacts, or direct economic impacts from a shift away from historical reliance on fossil fuels. Under Communities LEAP, DOE matches selected communities with technical assistance providers who assist them with bringing their clean energy planning and economic development vision to life."
- c. Up to \$50,000 for technical assistance.
- d. **Due 12/14/2023**
