Re: Funding Opportunities for Transportation

Colleagues:

Here are some grant opportunities related to transportation. Reach out with any questions any time. Also, **please keep us updated if you are pursuing any federal monies.**

1. [FAA Contract Tower \(FCT\) Competitive Grant Program](#)

- a. DOT
- b. “The FCT Competitive Grant Program, established under the Bipartisan Infrastructure Law (BIL), allocates \$20 million annually for five years (Fiscal Years 2022–2026) to facilitate the construction, improvement, and relocation of non-approach control towers, along with the acquisition and installation of air traffic control and communication equipment, including remote towers certified by the FAA.”
- c. “The FAA will consider projects at an airport-owned Airport Traffic Control Tower (ATCT) that sustain, construct, repair, improve, rehabilitate, modernize, replace, or relocate nonapproach control towers; acquire and install air traffic control, communications, and related equipment to be used in those towers; or construct a remote tower certified by the FAA including acquisition and installation of air traffic control, communications, or related equipment.”
- d. **Due 12/1/2023**

2. [Clean Heavy-Duty Vehicles](#)

- a. EPA
- b. “Funding to help Tribal, state, and local governments and other entities offset the cost of replacing heavy-duty Class 6 and 7 commercial vehicles with zero-emission vehicles, deploy supporting infrastructure, and train and develop the necessary workforce. At least \$400 million must go to areas not meeting national air quality standards.”
- c. \$1 billion in funding is available under this program until 2031.
- d. **Expected to open early spring 2024**, click on the link above to sign up for updates
