Re: Funding Opportunities for Transportation

Colleagues:

Here are grant opportunities related to transportation. Reach out with any questions any time. Also, **please keep us updated if you are pursuing any federal monies.**

1. Electrifying Your Fleet Webinar
 - a. “The Bipartisan Infrastructure Law and Inflation Reduction Act provide several funding opportunities for reducing or eliminating greenhouse gas emissions from city and school buses, heavy-duty vehicles, and other public transit systems, as well as transitioning to zero-emission ports. This webinar will explore the various programs that cities can blend and braid to green their fleets.”
 - b. Click [here](#) to register.
 - c. **3/19/24, noon**

2. [Low or No Emission Vehicle Program](#), AKA Low-No and 5339(c) - *updated*
 - a. FTA
 - b. “For the purchase or lease of zero-emission and low-emission transit buses as well as acquisition, construction, and leasing of required supporting facilities.”
 - c. Applications are to be coordinate with CASTA and CDOT:
 - i. CASTA provides support to applicants, contact kelly.leadbetter@fhueng.com
 - ii. CDOT’s Office of Innovation Mobility will help contribute information for any project related to zero-emission buses, contact shilpa.kulkarni@state.co.us
 - iii. The CASTA team will finalize the application and give it to CDOT who will submit it under the state UEI number in grants.gov.
 - d. **Due 4/25/2024** (application template is the same as the opportunity above)
[Note this application is due April 25, not May, sorry for the typo!]
