Re: Funding Opportunities for Water

Colleagues:

Here are funding opportunities related to water. Reach out with any questions any time. Also, **please keep us updated if you are pursuing any federal monies.**

1. **[Water Technical Assistance \(WaterTA\)](#)**

- a. EPA
- b. "The EPA's free Water Technical Assistance (WaterTA) services support communities to identify water challenges, develop plans, build capacity, and develop application materials to access water infrastructure funding."
- c. For local governments as well as water, wastewater, and stormwater utilities/systems
- d. Some of what they can help with:
 - i. Lead service line identification and replacement
 - ii. Drinking water treatment plant and pipe upgrades or building new drinking water infrastructure
 - iii. Wastewater treatment plant and pipe upgrades or building new infrastructure
 - iv. Connecting households or small drinking water/wastewater systems to larger systems
 - v. Stormwater, green infrastructure, and water conservation projects
 - vi. Source water protection
- e. **To request technical assistance, you need to fill out the simple form on this page:**
