Re: Funding Opportunities for Energy Efficiency and Resiliency

Colleagues:

Here are a couple of grants related to Energy Efficiency and Resiliency. Reach out with any questions any time. Also, **please keep us updated if you are pursuing any federal monies.**

1. [Energy Efficiency and Conservation Block Grant](#)

- a. CEO and ICLEI USA
- b. “To help eligible applicants increase staff capacity and foster regional collaboration to advance local clean energy and sustainability programs.”
- c. Funding is prioritized for Justice 40 communities (in blue below) and communities that did not receive the DOE EECBG program formula grant (all of Region 10).
- d. “To cover staff salaries and technical support costs. Applicants may request up to \$240,000 over 3 years for staff capacity and up to \$1 million total for regional collaboration work. There is no match requirement. Program implementation, project costs, and staff costs not specified in the grant application are not eligible for this funding.”
- e. Reach out to ICLEI for general questions and for support developing collaboration, understanding DOE Blueprints, and completing and submitting an application: Caroline Dickey: caroline.dickey@iclei.org, Bobby Wenger: bobby.wenger@iclei.org.
- f. **Due 8/9/24**
