Re: Funding Opportunities for Transportation

Colleagues:

Here is one update for a grant opportunity related to transportation. Reach out with any questions any time. Also, **please keep us updated if you are pursuing any federal monies.**

1. [Active Transportation Infrastructure Investment Program \(ATIIP\)](#) - update
 - a. FHWA
 - b. “To construct projects to provide safe and connected active transportation facilities in active transportation networks or active transportation spines.”
 - i. “Active transportation networks are active transportation facilities that connect between destinations within a community or metropolitan region, including schools, workplaces, residences, businesses, recreation areas, medical facilities, and other community areas.”
 - ii. “Active transportation spines are active transportation facilities that connect between communities, metropolitan regions, or States.”
 - c. Goal is “to integrate active transportation facilities with transit services, where available, to improve access to public transportation.”
 - d. Two grant types:
 - i. Planning and Design - do develop plans for active transportation networks and active transportation spines, must have cost of at least \$100,000
 - ii. Construction - to construct projects to provide safe and connected active transportation facilities in an active transportation networks or active transportation spine, must have a total cost of at least \$15 million
 - e. **Due 7/17/24 (previously due 6/17/24)**
